* Double full scape Impression

**Area with Pakistan Occupied Kashmir**

511. SHRI RAHASBIHARI BARIK: Will the PRIME MINISTER be pleased to state:

(a) the total hectares of land occupied by Pakistan in the Pakistan-Occupied Kashmir (POK) areas;

(b) the steps taken to get back those areas; and

(c) the steps taken to restore normalcy in the State of Jammu and Kashmir?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) and (b) Pakistan is in illegal occupation of approximately 78,114 sq. Kms. area of the Indian State of Jammu and Kashmir. An additional 5,180 Kms. area of the State occupied by Pakistan has been illegally ceded by Pakistan to China.

Government have consistently, through the years, tried to have this matter resolved through discussions and dialogue with Pakistan, including the efforts made at Tashkent in 1966 and at Shimla in 1972.

Government hope that Pakistan will sincerely respond to our endeavours to resolve all differences peacefully, through bilateral negotiations as provided under the Shimla Agreement.

(c) A variety of measures are being taken to contain militancy and for restoration of peace and normalcy in Kashmir. These *inter-alia* include intensification of vigilance, sustained pressure and operations against the militants by the security forces; focussed steps to accelerate economic and development activities and creation of additional employment opportunities for the youth; special attention and efforts to reactivate the local administration, bringing it closer to the people and strengthening their confidence in it; increased transparency and other measures like release of detenues etc. to relieve tension among the poeple and boost their confidence; and, efforts to encourage the political forces and elements to step up their activities in the State. All these efforts have had a definite positive impact on the overall security situation and environment, and Government will continue to pursue them intensively.

**Power Generation from garbage**

512. SHRI V. NARAYANASAMY: Will the PRIME MINISTER be pleased to state:

(a) whether some foreign firms from the U.S.A., the U.K. and Australia have recently come forward to invest in garbage-based power plants in India; and

(b) the steps taken by Government to tap the 1,000 MW power from the urban and industrial wastes available in the country for the purpose?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (PROF. P. J. KURIEN): (a) Yes, Sir. these firms are in the process of finalising sites and tie-ups with the concerned agencies.

(b) A National Pilot Programme on
